

St Philip's Vision Statement

As St Philip's family, we are called to

Connect with Jesus

Connect with Each Other,

And Connect with Our Community

so that God's kingdom grow

Here to Help

*"We are **family** and with that comes joys and sorrows. We stand alongside one another ..."*

There are so many ways we can offer support for each other in times of challenge and celebration. We hope that as family we will know when we can offer support and our Pastoral Team will coordinate reaching out to you but if we are not in the know please do get in touch via the church office or through Viv Skidmore (Pastoral Team Lead). For prayer needs we can get the prayer chain going quickly – again just let Viv know.

A Word from the Vicar

The 'I Am' statements found in the book of John hold significant importance in understanding the identity of Jesus. Each 'I Am' statement presents a unique aspect of Jesus' character and purpose. It is through these statements that we can gain a deeper understanding of his mission on earth and his role in the salvation of humanity. By exploring these statements, we are able to comprehend the depth of

Jesus' love, compassion, and authority, as well as his ultimate sacrifice for mankind. These statements invite us to ponder upon the profound implications of Jesus' words, leading us to a more intimate relationship with him and a clearer grasp of his divine nature.
